

ATA

design SIMONE MICHELI

ATA è ispirata alla pop art dalle forme morbide e tondeggianti degli anni Cinquanta. Composta da poltrona e divano, la serie ha un aspetto avvolgente e imprime un segno serenamente deciso all'ambiente. Eppure, nonostante le sue forme scolpite, ATA è una presenza elegante che sa far bella mostra di sé senza essere invadente in spazi pubblici e privati.

ATA recalls the soft rounded shapes of 1950s pop art. With its enveloping look, the series definitely marks the setting that hosts its sofas or chairs. Its sculpted outline is an elegant self-assured statement that could never become loud, either in residential or corporate settings.
