

Ata is one of the classic collections by Adrenalina. It consists of an armchair, a 2-seater or 3-seater sofa and a small table. It can be truly considered as a best seller. Even if its lines are soft, they leave a strong mark on rooms. They look so energetic that those sofas turn out to be comfortable and snug. They are suitable for interior design decoration, but they can also give guests a warm welcome and make rooms be notable.
