

CARVER

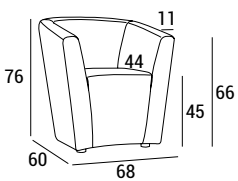

Carver is a cockpit armchair whose classic design has been reinterpreted according to a modern key, so that its round lines pour into a slender and elegant profile.

With Carver you rediscover the pleasure of sitting on a comfortable armchair, while enjoying a classy furniture item that has been stylistically renewed with elements of modernity. It gives a relaxing and rewarding experience in terms of functionality and aesthetics, which makes it ideal for elegant residential settings and public venues alike.

- 1 - dacron® fiber 100 gr;
- 2 - high resilience polyurethane foam of different densities;
- 3 - structural frame in plywood, non-structural parts in composite wood;
- 4 - brushed metal feet.
