

MARTIN

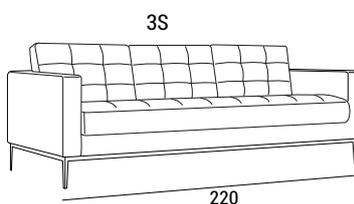

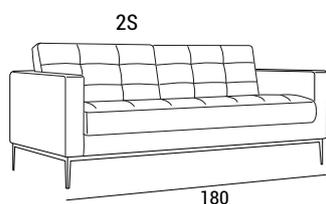

Minimalist and rigorous.

The Martin seating collection is raised off the ground with a painted metal base that gives sofas and armchairs a slender and light look. The seats and backrests are characterized by a quilted squared pattern, without buttons, with delicate but distinctive seams.

- 1 - dacron® fiber 100 gr;
- 2 - high resilience polyurethane foam of different densities;
- 3 - structural frame in plywood;
- 4 - structural frame in MDF;
- 5 - metal base;
- 6 - elastic webbing.
