

MEGH

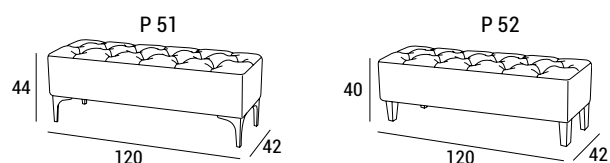

Megh is a bench with capitonné seat and feet in metal or wood, with the essence chosen by the client.

An elegant interweaving of playful depths and changing textures outlines Megh's aesthetic profile: a piece of furniture with a singular stylistic personality, suitable for the most chic furniture compositions.

- 1 - dacron® fiber 100 gr;
- 2 - high resilience polyurethane foam of different densities;
- 3 - structural frame in plywood, non-structural parts in composite wood;
- 4 - plated chrome metal feet/stained massive wooden feet.
