SEDIA TEMA

Considering the positive results of the test reports indicated in the table, the compliance with the following technical standards is declared:

## UNI EN 1729-1:2016

Furniture – Chairs and tables for educational institutions - Part 1: Functional dimensions.

## UNI EN 1729-2:2016

Furniture - Chairs and tables for educational institutions - Part 2: Safety requirements and test methods.

The declaration of conformity is based on the results of the mentioned test reports referable only to the samples examined as received. Sampling was carried out by the customer. The name and any description of the sample are declared by the customer. The Cosmob Testing Laboratory Division does not undertake to verify its authenticity and declines all responsibility. Additions, cancellations or alterations are not allowed. The declarations of conformity issued by the Cosmob Testing Laboratory Division are based on the comparison between the results and the reference values, without considering the confidence interval of the measurement, unless otherwise specified by standards, technical specifications or agreements with the customer.
