design DEBONADEMEO STUDIO

Un connubio di forme e funzioni. Il senso del relax può scaturire dal semplice sguardo rivolto all'oggetto dei desideri. Una collezione di sedute che invitano alla quiete per le loro forme sinuose e per la loro organicità. Le componenti appaiono connesse senza forzature meccaniche, semplicemente appoggiate le une alle altre, come petali in movimento.

A combination of form and function. Relaxation can come from simply looking at the object of your desire. A series of armchairs that invite you to rest with their sinuous shapes and organicity. The components seem to be holding on to each other without mechanical force, like flower petals in motion.
